EXAMPLE QUESTIONS

GESTICULATED BIOGRAPHY

Examples of information that learners ask:

- age
- hobby
- favourite food
- the place of the last holiday
- a movie watched recently
- a book that was read recently
- practised sports
- a place of stay/ residence

Depending on the age of the given group and their language level, the questions can be more complicated. However, it is worth remembering that they should not be too difficult for the storyteller to be able to show the story/ answers using gestures/ non-verbal communication mainly.
